**VETERANS VOTING HISTORY:** The Veterans Committee/Eras Committee has been a part of the Hall of Fame voting process since the first class of electees in 1936, with the first Veterans Committee electees coming in 1937...In all its forms, the Veterans Committee/Eras Committee has elected 169 individuals (98 major leaguers, 30 executives, 22 managers, nine Negro Leaguers and 10 umpires) to the Hall of Fame.

**THE COMMITTEE ON BASEBALL VETERANS:** In 1953, the Baseball Hall of Fame Committee on Baseball Veterans was formed, outlining parameters that were similar through 2001, though with some variance throughout its time...Voting was conducted every other year from 1953-1959, with annual votes from 1961 until 2001...From 1961 through 2001, the Committee elected 101 members in 41 meetings, electing a candidate on all but three occasions: 1988, 1990 and 1993.

**TURN OF THE CENTURY CHANGES:** From 2001 through 2007, the Hall of Fame's Committee on Baseball Veterans considered long-retired players, managers, umpires and executives on a bi-annual cycle featuring one ballot for players and another for managers, umpires and executives...The electorate was comprised of the living members of the Hall of Fame, the living recipients of the J.G. Taylor Spink Award, the living recipients of the Ford C. Frick Award and Veterans Committee members whose terms had not yet expired...Beginning in 2003, the Committee held its election of players every other year...Also beginning in 2003, the election of managers, umpires and executives was held every four years...The three players elections (2003, 2005 and 2007) and the two composite-ballot elections (2003 and 2007) produced no candidates who received the 75 percent of the vote necessary for election.

**REVAMPING THE PROCESS:** From 2007 to 2010, the Hall of Fame's Committee on Baseball Veterans was revamped to consider managers and umpires on one ballot, executives and pioneers on one ballot, players who began their big league careers prior to 1943 on one ballot and players who were retired for at least 21 seasons and whose careers began after 1942 on a fourth ballot...The electorates consisted of panels of Hall of Famers, executives and media members...Players whose big league careers began after 1942 were considered every other year, with the managers/umpires and executive pioneers ballots considered in the opposite years from the players...Players whose big league careers began prior to 1943 were considered every five years starting in the fall of 2008...In the fall of 2007, the Committee considered the managers/umpires ballot and the executives/pioneers ballot...Managers **Billy Southworth** and **Dick Williams** each received 13 of a possible 16 votes (81.3%) to earn election from the managers/umpires ballot, while **Barney Dreyfuss** (10 of 12 votes, 83%), **Bowie Kuhn** (10 of 12 votes, 83%) and **Walter O'Malley** (9 of 12 votes, 75%) were elected from the executives/pioneers ballot...In the fall of 2008, **Joe Gordon** received 10 of 12 votes (83%) to earn election from the pre-1943 players ballot...No player reached the 75 percent threshold needed for election on the post-1942 players ballot...In the fall of 2009, the managers/umpires and the executives/pioneers ballots were again considered...Umpire **Doug Harvey** (15 of 16 votes, 93.8%) and manager **Whitey Herzog** (14 of 16 votes, 87.5%) were elected from the managers/umpires ballot...No candidate received the necessary 75 percent of the vote to earn election from the executives/pioneers ballot.

**A NEW ERA:** From 2011-15, the Veterans Committee transitioned to the Eras Committee, which featured three candidate categories based on the era in which the candidate left his or her most indelible mark...The Expansion Era Committee, the Golden Era Committee and the Pre-Integration Era Committee met on a three-year rotating basis, with two complete cycles of the committee votes held from 2011-15...The Expansion Era Committee elected executive **Pat Gillick** to the Hall of Fame as part of the Class of 2011 in its first session, then elected managers **Bobby Cox**, **Tony La Russa** and **Joe Torre** to the Class of 2014...The Golden Era Committee elected **Ron Santo** as part of the Class of 2012, with no Golden Era candidates receiving the necessary 75 percent of the vote to be elected with the Class of 2015...The Pre-Integration Era Committee elected umpire **Hank O'Day**, executive **Jacob Ruppert** and third baseman **Deacon White** to the Class of 2013, with no Pre-Integration Era candidates reaching the 75-percent mark needed to be included with the Class of 2016.

**FOUR FOR ALL:** In 2016, the Hall of Fame Board of Directors revamped the eras committees, placing a much greater emphasis on modern eras. Additionally, those major league players, managers, umpires and executives who excelled before 1950, as well as Negro Leagues stars, will still have an opportunity to have their careers reviewed, but with less frequency...Four eras for committee consideration were identified: Today’s Game (for candidates who made their most indelible contribution to baseball from 1988 to the present); Modern Baseball (for candidates who made their most indelible contribution to baseball from 1970 to 1987); Golden Days (for candidates who made their most indelible contribution to baseball from 1950 to 1969); and Early Baseball (for candidates who made their most indelible contribution to baseball prior to 1950).

**VETERAN INFLUENCE:** The Veterans Committee, in all its forms, has been electing players to the Hall of Fame since 1937, when **Morgan Bulkeley, Ban Johnson, Connie Mack, John McGraw** and **George Wright** comprised the first Veterans Committee class...The largest class came in 1946 when 11 men were elected to the Hall of Fame by the Veterans Committee...The 11 electees in 1946 were: **Jesse Burkett, Frank Chance, Jack Chesbro, Johnny Evers, Clark Griffith, Tommy McCarthy, Joe McGinnity, Eddie Plank, Joe Tinker, Rube Waddell** and **Ed Walsh**...The 17 former Negro league players and executives chosen for enshrinement in 2006 were elected through a special committee on Negro Leagues and pre-Negro Leagues candidates.

**FIVE AND SEVENTY:** Five players on the 2018 BBWAA ballot received at least 70 percent of the vote: Chipper Jones, Vladimir Guerrero, Jim Thome, Trevor Hoffman and Edgar Martinez, tying the mark for the most in BBWAA election history...Only three times previously has a BBWAA election resulted in five candidates reaching the 70-percent mark: 2017 (when Jeff Bagwell, Tim Raines, Iván Rodríguez were elected and Trevor Hoffman-74.0% and Vladimir Guerrero-71.7% cleared the 70 percent mark), 1947 (when Carl Hubbell, Frankie Frisch, Mickey Cochrane and Lefty Grove were elected and Pie Traynor received 73.9 percent of the vote) and the inaugural election of 1936 (when Ty Cobb, Babe Ruth, Honus Wagner, Christy Mathewson and Walter Johnson were all elected).

**SIX MILLION DOLLAR MEN:** The election of Vladimir Guerrero, Trevor Hoffman, Chipper Jones, Jack Morris, Jim Thome and Alan Trammell to the Class of 2018 marks the first time since 1971 that at least six former big league players were elected in one year...In 1971, former big leaguers Dave Bancroft, Jake Beckley, Chick Hafey, Harry Hooper, Joe Kelley and Rube Marquard were elected by the Veterans Committee, while Satchel Paige – who pitched in the big leagues following a stellar career in the Negro Leagues – was elected by the Committee on Negro Baseball Leagues...The last time six living players were elected in one year was 1955 when Frank Baker, Joe DiMaggio, Gabby Hartnett, Ted Lyons, Ray Schalk and Dazzy Vance were elected.

**SWEET 16:** With the election of Vladimir Guerrero, Trevor Hoffman, Chipper Jones and Jim Thome, the BBWAA has elected at least two Hall of Fame candidates in five straight years and a total of 16 candidates during that time...No five-year period in history has resulted in as many BBWAA electees, with the previous high of 13 coming in the five-year period from 1952-56...That was also the last time the BBWAA elected at least two candidates five years in a row.

**LIVING HISTORY:** With six living electees in the Class of 2018, there have been 23 living Hall of Famers elected in the last five years, more than any other five-year period in Hall of Fame history...The previous record for most living Hall of Famers in any five-year period was 20 from 1969-73.

**54 AT FIRST:** The election of Chipper Jones and Jim Thome brings the total of first-year BBWAA inductees to 54 and marks the fifth straight year with at least one first-ballot inductee, the first such stretch since a run of five straight years from 2001-05.

**RULES FOR ELECTION:** Voting criteria for BBWAA electors can be found at <http://baseballhall.org/hall-famers/rules-election/bbwaa>...Voting rules state that: “Voting shall be based upon the player's record, playing ability, integrity, sportsmanship, character, and contributions to the team(s) on which the player played.”
